

PNW Construction Camp: Concrete Day

Purdue University Northwest
Edward D. Anderson Building
2200 169th St.
Hammond, IN 46323
****Central Time****

Join Smith Ready Mix, Ozinga Ready Mix and the IRMCA for an exciting day of concrete exploration with the students of Purdue University Northwest's summer Construction Camp!

Students will have a unique opportunity to connect with experienced industry experts and gain valuable hands-on learning while helping with a concrete pour and finish, exploring the trucks, the simulator, and more!
