

Join IRMCA: Become part of the Hoosier State concrete industry!

The concrete industry is continually evolving methods, materials, regulation; it can be difficult to stay ahead of the new requirements and learning opportunities. Through ongoing educational programs and annual conferences, an IRMCA Membership can help your company stay on the leading edge of technology and safety.

IRMCA's members include ready mixed concrete producers and those who provide goods and services that support the concrete industry. In addition to a variety of yearly educational seminars, the IRMCA sponsors promotional and social programs throughout the state. Give your staff an opportunity to network and grow within the concrete industry and increase their exposure to #ConcreteCulture.

APPLICATION: Download and complete the application form. Email the completed form with logo images to IRMCA. **NOTE:** This form can be completed using Adobe or it can be printed, completed, scanned, and emailed. Please let us know how we can help.
